

ClearShares Announces Symbol Change for ClearShares Piton Intermediate Fixed Income ETF from BTC to PIFI

NEW YORK, NY - May 7, 2021 - ClearShares today announced a symbol change for the ClearShares Piton Intermediate Fixed Income ETF from BTC to PIFI. The change will become effective as of May 11, 2021. Notwithstanding the symbol change, the Fund remains an actively managed portfolio of taxable intermediate-duration bonds. The Fund primarily invests in investment-grade corporate bonds, U.S. government agency bonds and U.S. Treasury notes and focuses on maximizing total return while delivering conservative goals of income generation, capital preservation, and liquidity.
